ANGAD Career Discovery Report

Your Future, Unlocked

1. Candidate & Assessment Information

Candidate Name:	Sandeep
Candidate ID:	ANGAD-1
Date of Assessment:	11 May 2026
Counsellor Name:	Priya Mehra
Counsellor ID:	CNSLR-1083

2. Stream Information

Suggested Stream: **Humanities**

Reason for Suggesting This Stream:

The student's high Emotional Intelligence score of 73%, particularly strong in Social Skills (80%) and Empathy (70%), along with excellent Communication Skills (70%), indicates a natural aptitude for fields that require interaction and understanding of human dynamics. The adaptability score of 90% also suggests the capability to thrive in diverse and changing environments, typical of humanities disciplines.

3. Top 5 Career Recommendations

Sr. No.	Suggested Career	Why This Career?	Domain & Related Careers
1	**Documentary Filmmaker**	Your Creative Thinking and strong Communication Skills make you a natural fit for storytelling through documentaries. This career will allow you to explore and express complex ideas while engaging a wide audience.	**Media & Journalism** Content Producer, Investigative Journalist, Media Strategist, News Anchor
2	**Child Psychologist**	Your Emotional Intelligence and Empathy are perfect for a career in Child Psychology, where you can make a significant impact on young lives by understanding and addressing their emotional and developmental needs.	**Psychology** Career Counselor, Digital Addiction Counselor, Mental Health Coach, Organizational Psychologist
3	**Public Health Advocate**	Your Adaptability and Emotional Resilience are key strengths for a career in Public Health Advocacy. You'll have the opportunity to influence policies and initiatives that improve community health and well-being.	**Social Work** CSR Specialist, Community Development Worker, NGO Manager, Rehabilitation Counselor
Beyond-Stream Career Possibilities Modern interdisciplinary careers that match your personality, strengths, and aptitude — even beyond traditional stream boundaries.			
4	**Innovation Catalyst**	Your ability to adapt and think creatively positions you well as an Innovation Catalyst. This role will allow you to drive change and inspire new ideas across various fields.	**Liberal Arts & Interdisciplinary Careers** Behavioural Strategist, Design Thinker, Generalist Researcher, Social Sector Analyst
5	**Digital Storyteller**	Your strong Communication Skills and Creative Thinking are ideal for a career as a Digital Storyteller. You can craft compelling narratives that captivate audiences across digital platforms.	**Tech & Creativity** AR VR Experience Designer, VFX Artist

4. Accessing Detailed Career Information

Students can view the complete Career Pathway Documents for all recommended careers directly in the **ANGAD Career Library** available in their login.

(Annexures removed from the report.)

5. Notes

A. The suggested industries and career options listed in this report are aligned with the student's recommended stream. These recommendations are based on the student's strengths, interests, and personality indicators from the Self-Discovery Report.

B. Some students may wish to explore careers outside their chosen/suggested stream (open-stream careers). For such aspirations, the **ANGAD Career Library** offers detailed pathway documents that can help them understand alternative routes, eligibility variations, and transition strategies.

Additionally, connecting with a **Certified Angad Career Counsellor** can provide deeper clarity on how to approach these open-stream career paths, understand the flexibility available, and evaluate alignment with the student's true potential.

6. Disclaimer

The career suggestions in this report stem from the Angad 8-Stage Career Analysis, blending psychometric insights with expert interpretation. These are indicative pathways meant to support decision-making, not final verdicts. Students and guardians should conduct further exploration before making definitive decisions. Angad, APT Educators LLP, and its counsellors are not liable for decisions based solely on this report.
